An ASUCD Senate Bill to amend the 10-Year Stipend Reallocation Plan of Section 612 from the ASUCD Bylaws as enacted by Senate Bill #44 of Winter 2015 so that the bylaws more deliberately exclude units under the jurisdiction of the Campus Media Board, which include KDVS and \textit{The California Aggie}.

BACKGROUND: Both KDVS and \textit{The California Aggie} have their Media Budgeting Processes outlined in the Campus Media Board Guidelines. \[\text{III.B.2.e}\] states that the Executive Branch may only fashion demands or adjustments to the bottom line of budgets and not individual line items for units under the jurisdiction of the Campus Media Board. Seeing that the Campus Media Board’s jurisdiction is separate and remote from that of the Executive Branch, KDVS and \textit{The Aggie} would like the ASUCD Bylaws to reflect their unique situation and exclude them from the specificity of the 10-Year Stipend Reallocation Plan.

In response to state of the Associated Students University of California Davis, KDVS and \textit{The Aggie} will continue to be receptive to the financial needs of ASUCD and, under the responsibility of the Campus Media Board and the Vice Chancellor of Student Affairs, will continue to make the necessary cuts, adjustments, and reallocations. In fulfilling its responsibilities, the Campus Media Board will be accountable to the Vice Chancellor for Student Affairs and responsive to the needs of the campus community. While KDVS and \textit{The Aggie} manage to make appropriate adjustments to funds under the guidance of the Media Board, both units would like the ASUCD Bylaws amended to explicitly state their exclusion from the 10-Year Stipend Reallocation Plan on the grounds that the Media Board is the sole administrative body with the authority to make demands across individual budget line items.

\textbf{Section 1.} The ASUCD Senate hereby amends Section 612 of the ASUCD Bylaws as follows: 10-YEAR STIPEND RE-ALLOCATION PLAN: During the budgeting process each year, before budget hearings, for the next ten years, starting in the fiscal year 2015-2016, ASUCD will cut the amount of money allocated to stipend positions within the budget by 12.5\% per year and will increase stipend salaries by the same amount cut except for all units whose budgeting is overseen by the Campus Media Board.

\textbf{Section 2.} The ASUCD Senate hereby enacts Section 612 of the ASUCD Bylaws as follows:
612. ASUCD UNIT CREATION AND DISSOLUTION:
A. To create an ASUCD Unit, the ASUCD Senate must pass and the ASUCD President must sign an
ASUCD Senate Bill authorizing such creation prior to the passage of the ASUCD Budget
(or perform an equivalent form of enactment specified elsewhere in the ASUCD Bylaws
or ASUCD Constitution).

B. To dissolve an ASUCD Unit, the ASUCD Senate must pass and the ASUCD President must sign
an ASUCD Bill authorizing such dissolution prior to the passage of the ASUCD Budget (or
perform an equivalent form of enactment specified elsewhere in the ASUCD Bylaws or ASUCD
Constitution).

   a. In the case of dissolution of an ASUCD Unit, ASUCD shall retain ownership of the dissolved
Unit’s remaining assets.

10-YEAR STIPEND RE-ALLOCATION PLAN:
During the budgeting process each year, before budget hearings, for the next ten years, starting in
the fiscal year 2015-2016, ASUCD will cut the amount of money allocated to stipend positions within
the budget by 12.5% per year and will increase stipend salaries by the same amount cut except for all
units whose budgeting is overseen by the Campus Media Board.

A. The ASUCD President, Vice President, Controller, Business and Finance Commission Chair, and
Business Manager will meet with each Unit Director and assess needs of all positions annually to allow
re-allocation to best reflect the work done by and responsibility of each stipend position.

B. The ASUCD Business Manager and Controller will perform an analysis in years 2013, 2020,
2022, and 2024 to determine if the 12.5% will need to be modified, and if so will write a senate bill to
amend Section 612 of the ASUCD Bylaws.

   All changes in this plan will be made in consultation with the ASUCD Management Team and
   with the Vice Chancellor of Student Affairs.

C. This section of the bylaws takes effect in the fiscal year 2015-2016 and is effective until the end of
fiscal year 2024-2025
